

# How to Attend a CLASH Tournament

We currently offer one weekly tournament serie in University City Philadelphia, right next to the University of Pennsylvania. We may announce other special events that we will do on occasion, though will happen on different days and may have different rules. This page will explain how to attend our weekly tournaments!

**Project CLASH is our weekly Project M tournament on Thursdays**

Sometimes details of individual events may change, or we may rarely take a week off. Please join the following Facebook group for the event updates:

## Registration:

- No pre-registration is required, and you can sign up at the door on the day of the tournament!
- The cost for each tournament varies on what events you enter. Events have a required \$5 venue fee, then an additional \$5 for each event you enter. Teams events are \$5 per player, or \$10 per team. The venue fee is required for all participants and spectators. The event fee is required for all event entrants, and this is the money that goes into the pot and back to the winners.

## Time:

- Doors for the tournament room open at 6pm. You may arrive to the bar/restaurant as early as 5pm to order any drinks or food, though no access to the games will not be ready until 6pm.

- Registration for the tournament begins at around 6:30pm.
- The tournament begins at around 7pm.

## Location:

- William Street Common - 3900 Chestnut Street, Philadelphia, PA 19104  
This is located on the corner of 39th and Chestnut St.  
As of the time of this writing, there is some construction on the corner that might make it tough to see the entrance, but I assure you it's there!

## Age Restriction:

- As this is located at a bar, at this time you must be 18 years or older to attend any of our tournaments. We hope to make changes to this in the future for special events. You must still be 21 or older to purchase alcohol. It is recommended to bring your ID in case you are carded.

## Food and Drinks:

- William Street Common features a great list of "bar food" (sandwiches, chicken tender platters, etc) all at great prices. Along with this, all alcoholic drinks are a flat rate of \$3 each - that includes beer, wine, and mix drinks. Please be sure to tip your bartender! Non-alcoholic drinks are available too.

## Free Entry Bonus:

- The top 3 of any CLASH Tournament main singles event gets free singles entry for next week's event! This bonus is only valid for the same tournament series the following week, and can not be transferred.
